CanalCruising

OUR HERITAGE IS YOUR PLEASURE

OVER 66 YEARS EXPERIENCE ARRANGING CANAL NARROWBOAT HOLIDAYS FROM OUR PICTURESQUE BOATYARD IN THE QUAINT MARKET TOWN OF STONE

Canal Cruising is now the oldest hire company on the canals. The company is still operated by the Wyatt family and our staff. We offer a wealth of experience and give a warm and friendly service, as standard, with special attention for our overseas visitors and novices. We are a pet friendly company, ideal for walking holidays and visiting Staffordshires Heritage and the surrounding areas.

WHAT IS A MODERN NARROW BOAT LIKE?

"Look before you book" is the answer. Take a day out, visit our base between 10am and 2pm any time Monday - Saturday, we'll be pleased to see you. (Choose your boat and discuss possible routes)

EVERYTHING IS PROVIDED ON THE BOAT

Everything is provided on the boats. We have fitted out and equipped our boats to the highest standard. We provide duvets, blankets, sheets, pillows and pillow cases. We also provide an initial supply of tea towels, brillo pad, washing up liquid, dish cloth, kitchen roll and toilet paper.

INSTRUCTION GIVEN ON BOAT HANDLING

It usually takes about an hour depending on the locks. All boats have forward gear, a reverse gear and tiller steering. You push the lever forward and you're off, it's as simple as that! Tiller steering is precise and you have all the boat in front of you. With most people, ten minutes' instruction gives them all the confidence they need, but we also demonstrate the locks and give advice on mooring, navigation and safety.

LEAVE YOUR CAR AT THE BOATYARD

We have ample open air parking and we take every precaution to ensure security and safety of your vehicle. All vehicles left at owner's risk.

POINTS OF INTEREST

The one major aspect about a canal holiday is the proven fact that there is something of interest for everyone. The wildlife is abundant and is not frightened away by modern developments. Wild flowers and greenery are unspoilt and the old, historic bridges, aqueducts and tunnels are there for your enjoyment. The canals were built to connect existing rivers and on many trips you can combine both types of cruising in your journey. There are so many interesting museums and industrial museums, country houses and exhibitions such as the Middlepoint Pottery that the list seems endless, and there is sure to be somewhere of interest on your (chosen route. Maps and Guides are available.

OVERNIGHT STOPS ON THE CANAL

You can moor anywhere on the towpath side either in the country of in built-up areas. If an inn is on the offside, mooring is usually allowed adjacent to the premesis.

ARRIVAL AND DEPARTURE

You normally take over your boat in the afternoon between 2pm and 4pm on the first day of your holiday and return at 9am-10am on your final day. This gives us a short period for necessary,maintenance, refuelling, cleaning etc. When you leave the base your boat will be full of fuel and water, and new gas bottles will be fitted.

THE FROST FAMILY CANAL BOAT HOLIDAY DIARY, 2014

7 DAYS

DAY ONE

Picked up our boat, home for the next week. Had some tuition and set off south to Great Haywood. Did our first lock on our own at Aston. Moored up for the night at Sandon. Took us about 2.5 hours.

DAY TWO

Woke up to rain and had breakfast. I was allowed to steer today & didn't hit anything! Locks are OK when you get the order of the paddles. Weather cleared up at dinner time just as we arrived in Penkridge. Decided to aim for Brewood for the nighrt and stopped by the Bridge Inn. About 8 hours today.

DAY THREE

Lovely morning. Sat outside with a cup of tea and just watched the fish jumping. Fab! Had a vote, we would only go as far as Market Drayton this time. This gave time to visit the town and some other small towns on the way back.

DAY FOUR

Made it to Market Drayton. A lovely town with its own brewery. Found a good butcher and eating on board tonight. Weather overcast. It took us 6 hours to get to Gnosall.

DAY FIVE

Sun shining. Aiming for Gailey tonight. Got the hang of driving now, really enjoying winding down. Phone works sometimes along with the wifi, but hey, who cares, I'm on holiday!

DAY SIX

Called into Shugborough today at Great Haywood. Lovely house and gardens, we had afternoon tea.

DAY SEVEN

Moored up below Stone to tidy up the boat. Sad to be going home. Meal out in Stone tonight. Really chilled out, can't wait till our next holiday. May do the full ring next time!

LEEK & FROGHALL

Easy & pleasant with lovely countryside. Ideal for new comers to boating or Overseas visitors to experience all the Canals Offer. You have a stair case lock, lift bridges, mechanical and manual, a small aquaduct/viaduct, traveling at the top of a valley and then dropping into a valley, a river, 2 tunnels, not to mention the Steam Railway.

THE CLEMENTS FAMILY CANAL BOAT HOLIDAY DIARY, 2014

7 DAYS

DAY ONE

Picked up our boat and headed for Trentham (3 hours). Had a refresher at the lock and stayed at Trentham for the night. Weather brilliant.

DAY TWO

Sun shining, wow it's hot! Boat has everything we need. Heading for the Sportsman at Stockton brook as recommended by the company.

DAY THREE

Another good restaurant, the Holly Bush round the corner from the Sportsman. Rain in the night but much better this morning. Phone and TV have no signal so got out the games instead! We are now aiming for Leek.

DAY FOUR

Stopped on the acqueduct last night. Beautiful looking down the valley and up at the stars. Off to Froghall today, been assured that the boat will go through Froghall tunnell. YES IT DOES!! Well worth the trip, it's wonderful, so peaceful. Stopped the boat at Cheddleton and the Churnet Valley Railway.

DAY FIVE

Heading for Etruria today and nipping up to Middleport Pottery in the morning before we head back to Stone.

DAY SIX

Monkey Park or Wedgwood... decisions decisions! Wedgwood was closer, then the Plume of Feathers at Barlaston for tea. 3 Hours left, so a lazy day tomorrow down to Stone.

DAY SEVEN

It's all over far too quickly, need 2 weeks next time, already planning the trip! Moored up in Stone just above the yard and went into town for the last meal. Tidied up the boat ready for the morning.
